

END OF WATCH MINISTRIES

Serving Those Who Serve

EOW is a 501c3 ministry

OUR MISSION

Cops Need Christ.

End Of Watch Ministries exists to share the Gospel of Jesus Christ with the men and women of law enforcement.

Our mission is simple:

To help officers recognize their need for a Savior before the end of their watch.

Every day, law enforcement officers face danger, trauma, moral complexity, and spiritual isolation. Behind the badge is a soul in need of hope, truth, and eternal security. We believe the Gospel is not only relevant to officers — it is essential.

WHY THIS MATTERS

Law enforcement culture values strength, loyalty, and resilience. Yet many officers quietly carry:

- Emotional trauma
- Spiritual confusion
- Family strain
- Isolation
- Fear of vulnerability

While departments provide tactical equipment and physical protection, many officers lack spiritual protection and biblical guidance.

We are committed to meeting that need.

HOW WE BUILD TRUST

Trust is not assumed in law enforcement — it is earned.

Led by a retired police officer who understands the culture from the inside, End Of Watch Ministries builds authentic relationships through consistent presence and tangible support.

We bridge the gap by:

- Delivering snacks and supplies to departments
- Hosting cookouts and appreciation events
- Providing essential training resources and equipment
- Meeting one-on-one over coffee or meals
- Showing up consistently and faithfully

Through these acts of service, doors open for meaningful conversations about faith, purpose, and eternity.

THE FOUR TRUTHS WE SHOW EVERY OFFICER

- 1. Our love for them is genuine.**
- 2. God's love for them is real.**
- 3. They are deeply valued.**
- 4. They can trust God's Word even more than a bulletproof vest.**

We present the Gospel clearly at events and in personal conversations, sharing relatable testimonies and practical biblical truth. We want every officer to feel seen, known, and loved.

OUR STRATEGY FOR LASTING IMPACT

Evangelism is only the beginning.

When officers place their trust in Jesus Christ, we connect them with local Bible-preaching churches where they can:

- Be baptized
- Grow in biblical discipleship
- Develop spiritual leadership in their homes
- Become a light within their departments

While End Of Watch Ministries provides relational outreach and initial discipleship, we partner with local churches to shepherd and disciple officers long-term.

This is not a parachurch replacement for the local church — it is a bridge to it.

WHAT IT WILL TAKE

Reaching the law enforcement community requires:

1. Consistency

Showing up week after week. Praying faithfully. Building long-term relationships.

2. Opportunities

Creating environments where officers can hear the Gospel and respond to the free gift of salvation.

3. Support

Partnering with churches and individuals who will:

- Pray regularly
- Participate in outreach events
- Provide financial support
- Welcome and disciple officers

These are officers in your community.

They protect your families.

They serve your neighborhoods.

They stand watch at great personal cost.

Who is reaching them with the Gospel?

EOW is here to help.

HOW YOU CAN PARTNER WITH US

You can make an eternal difference by:

- Becoming a monthly financial partner
- Sponsoring outreach events
- Providing training resources or supplies
- Committing to pray regularly for officers
- Opening your church to disciple law enforcement families
- Inviting EOW to present to your church or specific ministry area (i.e. Men's Group)

Together, we can ensure that those who serve and protect our communities hear the message of salvation before the end of their watch.

A MESSAGE FROM THE FOUNDER

JB Wells

As a retired police officer, I understand the challenges of building trust within the law enforcement community. It is easy to understand why police officers do not easily open up to others based on what they are asked to do on a daily basis.

Knowing what it takes to be a police officer has driven me to create this ministry. It is both my and the EOW team's commitment to earn that trust through genuine love, consistent presence, and practical support. Once trust is established, we share the hope of Jesus Christ with clarity and conviction.

Our prayer is simple:

That every officer would come to know Christ personally and be connected to a healthy, Bible-preaching church.
